“

Ol Bobongi House is incredible – elegant, comfortable, magnificently decorated, thoughtfully organized and breathtakingly beautiful! Literally every detail was perfect, from the bouquets of roses left in the master bedroom and front hall, the delicious and ample breakfasts, the wonderful cooking of the kind and caring staff, the polite, affectionate and well-behaved pets, and, most of all, the tranquillity and beauty of the surroundings.

The house's gorgeous wrap-around veranda looks out over gardens lush with flowers – so much fragrant lavender! – up to Mount Kenya. The bathtub in the master bath is exquisite, and there is an entire film screening room with hundreds of movies & TV Series to choose from!

We had each meal of the day at a different beautifully-set table. It was a chance to feel like a well-cared-for millionaire for a weekend!

Oi Bobongi House

Welcome to Our World; close to top safari destinations with stunning views of Mount Kenya from 15 acres of peaceful, private gardens - lions, elephants, rhino (all the wildlife!) within easy striking distance. Oi Bobongi is a stunning colonial house with the best chef and wonderful house staff! Prepare to be pampered..!

We can accommodate 10 people in our sumptuous interior designed home. Oi Bobongi has 4 bedrooms - 3 of them are en suite (all large; one with a Super-King bed, one with a King-sized bed and one with two single beds) and the 4th bedroom is a mezzanine room over the Games Room, with 2 queen size beds with a fully equipped bathroom close by.

All these rooms lead onto huge verandas facing Mount Kenya and looking out over the Bush towards the Aberdare Mountain Range. The verandas are a wonderful place to relax, especially in the evening for your 'Sundowner' - the tradition of sipping on your gin and tonic whilst the huge African sun slips behind the horizon.

For those of you who love stargazing, there is no ambient light here and the views of the Milky Way are without parallel.

* Cinema with over 750 movies, TV Series for all ages.

* Gallery Corridor with central fountain.
